Subject: RE: Comment on the MTN ACE Cable System DSR

Hi Mareike

I have spoken to Alan and he had made some comments. I am trying to trace what happened with the comments and if it is incorporated in the report. I have also tried to get hold of the hard copy send to Alan but with no success. I will try to download the report from the website.

Thanks

Herman

Hi Herman

We sent a hard copy to Alan on the 7 November 2016, it was Signed by Carmelita. I have also included Lindelani Mudau, in case he knows of the where about of the report.

In case you would like to comment, the electronic version can be found on our website:
<http://www.acerafrica.co.za> under the 'Current Projects' tab and then 'MTN ACE Cable System'.

Would you also be able to get in contact with Alan to find out if he had any comments about the project.

Thanks,

Mareike Straueli

Hi Mareike

As there were no attachments to Alan's email I do not have a copy of the scoping report or had a change to provide comments. I am not sure if Alan has received a copy of the report and if he made some comments.

Thanks

Herman

Good day Herman

Due to terrible phone lines, please will you confirm via email the following.

Have you (or Alan) received the "Proposed Marine Telecommunications System (ACE Cable System) to be landed at Van Riebeeckstrand on the West Coast of South Africa" Draft Scoping Report. And have you had a chance to comment on it.

Thanks,

Mareike Straeuli
