Hi Giles,

I do not have the coordinates, so I cannot verify exactly if you have the correct coordinates. Not sure if a maritime chart will provide exact coordinates.

But it looks like you have them correct. I have attached the regulations. The figure attached looks like a good correlation with what you have.

Regards,
Deon

Subject: Public Exclusion Boundary (PEB)

Hi Deon

Please could you confirm that the co-ordinates on the map attached are correct for the offshore Public Exclusion Boundary (PEB) of Koeberg. Although the proposed alignment of the ACE Cable System (sub marine telecommunications cable) comes close to the PEB I want to make sure that we don't in fact enter the PEB on the proposed alignment.

Regards
Giles
