**Subject:** FW: MTN ACE Cable System - Heritage Application

Hi Dirk

I received your contact details from Morne Theron from ERMD. I have been appointed by MTN to undertake an Environmental Impact Assessment for the proposed landing of their marine telecommunications cable which will make landfall at Van Riebeeckstrand and terminate at their Cable Landing Station in Dуйnefontein.

As part of the EIA process I need to submit an application to Heritage Western Cape to register our project and to ascertain what level of heritage assessment we need to undertake. Part of the Notification of Intent to Develop (NID) form required by Heritage Western Cape requires the land owners signature (in this case the City of Cape Town as the cable will be within the road reserve and existing service corridors).

Please could you tell me who I need to send the form to for signature by the City of Cape Town.

Regards  
Giles

Giles

No. ERMD is only mandated to provide comment on Environmental Impact Assessments (ito NEMA) on behalf of the City of Cape Town.

Requests for land owner signatures and/or Power of Attorney in order to utilize City owned land must be directed to the *City of Cape Town: Property Management Department*. I suggest you contact Mr Dirk Maree ([Dirk.Maree@capetown.gov.za](mailto:Dirk.Maree@capetown.gov.za)) or Mr Pieter Strumpher ([Pieter.Strumpher@capetown.gov.za](mailto:Pieter.Strumpher@capetown.gov.za)) at the City's Property Management Department in this regard.

Hi Morne

The heritage specialist I have appointed needs to submit the Notification of intent to Develop (NID) form to Heritage Western Cape to register the project with them. Part of this form which must be complied with is the signature of the land owner. In this case it's the City of Cape Town. Do I send this form to you and Pat to sign?

Giles
