Subject: Isundu - Stakeholder discussion

Hi Charlene

Alan Stevenson from Mills Fitchet, a property evaluation firm, called me about Isundu (082 895 8880, 033 330 6990). He is a land evaluator working on instruction from the State Attorney who deals with land claims in the area. Mr Stevenson was asking about the details of the project and our the status of the work so far. I explained that we are currently finalising the draft EIR for public review. He wishes to be kept informed and obtain further information. Please register him on the database for the Isundu project and email him a copy of the Final Scoping Report.

Regards

Paul
