Please note the following changes made to the draft report during the finalisation of this Scoping Report. These changes have also been highlighted to all stakeholders:

1. Section 6 dealing with Public Participation and Appendices 3 and 4 have been updated as required.
2. There have been minor changes to Section 5.2.1 dealing with the future transmission lines envisaged and Section 5.4 detailing construction staff and accommodation.
3. In order to address concerns raised by stakeholders, an Air Quality/Dust Specialist Study has now also been included into the assessment as described in Section 9.2.10.

When received, a letter will be sent to all registered Interested and Affected Parties, and Authorities informing them of DEA's decision on the Final Scoping Report.

On behalf of the Project Team, I should like to thank everyone who has participated during Scoping and look forward to your continued participation.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'P. Scherzer', with a horizontal line drawn underneath the name.
