Dear Ms Lynn Boucher

The status of Land in KwaZulu-Natal

ACER has been requested by Eskom to apply for a Water Use Licence for their proposed Isundu Sub-station project in the Mkhambathini Municipality. In order to submit the application the status of land on which the water use is applied for needs to be known. As such please could you provide us with the status of the land claims (if any) on the farms listed below.

Portion 23 of Farm Lange Hoop 1032
Portion 25 of Farm Lange Hoop 1032
Portion 11 of Farm Lange Hoop 1032
Portion 8 of Farm Lange Hoop 1032
Portion 186 of Farm Vaalkoop & Dadelfontein 885
Rainbow Ranch number 14767

In addition, if available could you also please provide us with the land zoning information for these farms?

Thank you very much for your assistance.

Yours faithfully

ACER (Africa) Environmental Consultants

Miss Mareike Straeuli
