

How can I participate in the Basic Assessment Process?

Public participation enables persons who are interested in or affected by the proposed project to highlight issues or concerns that need to be addressed during the planning and assessment processes. If you would like to participate in this Basic Assessment process, submit comments and receive relevant correspondence, you are requested to register as an I&AP with ACER. Please fill in the comment sheets provided. Alternatively, written comment may be submitted via mail, fax or e-mail (details below).

The deadline for comment in this first round of public consultation is 12 June 2018.

Thereafter, all registered I&APs will be notified of the availability of the draft Basic Assessment Report and will be afforded 30 days to review and submit further comment.
