Subject: Rainbow Sites

Dear Paul

Rainbow Chickens have appointed us as agents to dispose of various properties.

I would like to offer property adjacent to Eskom's proposed substation to Eskom as an alternative site for the development as the site is already disturbed and would be less intrusive.

Please could you provide me with the negotiators details so I can offer them this property.

The property description is;

Rainbow Ranch

Portion 0 of 885 Vaalkop & Dadelfontein in 346.5260ha

Asking Price R30 000 000 plus VAT

Should you be interested please could call me on 0832700403.

Yours Sincerely

Dave Rigby
