Subject: Proposed Isundu Substation and Turn in Transmission Lines

Dear Sir/Madam,

Kindly could you confirm if the land on which the abovementioned project is to be located on falls under the ownership of the Ingonyama Trust Board? Further, would any of the overhead transmission lines traverse through land owned by the Ingonyama Trust Board (ITB).

Should these falls within ITB owned land, has there been any consultations and the likes with the relevant community and/or Traditional Council – please supply proof of such in terms of meeting minutes, registers, comments, etc.

Once this information is available to ourselves, the ITB will then be in a better position to provide comment on the document submitted to ourselves.

Regards,

Tashveer Bothath (Tch Pln. B/8184/2012)
