Good Afternoon Colleen

Thank you for confirming that you would like to be added to the database. I will add both of you to the database, that way you will both receive information as it is distributed. (I will also add that you are on the same property and that Mrs Dawn Schneeberger should be the primary contact. Could you please provide her contact information that we can add her to our database too.

Regards,

Good afternoon Mareika

Please see the attached response to your letter regarding the above.

I certainly would like to be included to receive all the information regarding this proposal.

As I am away on a regular basis, I nominate my mother Mrs Dawn Schneeberger to act on my behalf if necessary. She is also resident on the property in question.
Kindly confirm that this is in order.

Many thanks and regards
