✓ I WOULD LIKE TO PARTICIPATE IN THE IMPACT ASSESSMENT PROCESS
YES NO

✓ PLEASE DELETE MY NAME FROM THE PROJECT MAILING LIST
YES NO

- Please indicate which Basic Assessments (BA) you would like to receive information on:
 - BA1:** Capacity Upgrades to the N2 (Edwin Swales to Wiggins Road) and N3 (EB Cloete to Paradise Valley) including expansion of EB Cloete and Solomon Mahlangu Interchanges and provision of temporary access for construction below Westville and Paradise viaducts **YES** **NO**
 - BA2:** Capacity Upgrades to the N3 (Paradise Valley to Key Ridge) including provision of temporary access for construction below the Umhlatazana Viaduct **YES** **NO**
 - Both a and b above. **YES** **NO**

2. Please consider the following issues as part of the Assessment: *(Please use extra sheets if needed)*

The proposed road is very close to my private property, taking into account that this is the N3 road with high & traffic flow day and night. This expansion will not only result in unbearable and excessive noise but it will also subject my property and its residence to danger/risk. The above is corroborated by the fact that 9m² of my land will be required for the proposed expansion this is a clear indication of the close proximity of the proposed expansion road to my property building. See attached.

I suggest that the following stakeholders also be involved in the process:

Thank you for your participation

Due to reasons stated in the previous page, shall SANUKAL proceed with the proposed expansion of H13 I request that they must find alternative accommodation for me and my family since they will be requiring a portion of my land for this project.
