

## PROPOSED UPGRADE OF THE RICHMOND ROAD INTERCHANGE (N3/M1) AND FARNINGHAM INTERCHANGE (N3/M7)

### PUBLIC OPEN DAY

The South African National Roads Agency SOC Limited proposes to provide additional lanes on the N3. This includes upgrades to the N3 Richmond Rd and N3 Farningham Rd interchanges, affecting the N3, M1 and M7. Access onto the M1 via Abbot Francis Rd, Stockville Rd, 7<sup>th</sup> Avenue, Westgate Place, Westmead Rd, Alexander Rd and Mariannhill Rd will be affected.

Interested and/or Affected Parties (I&APs) are invited to a public Open Day at **RED POINT Church** (80a Caversham Rd or 90 Seventh Ave, Ashley, Pinetown) **any time between 3pm and 7 pm on Wed 15<sup>th</sup> August 2018**. Information on display will illustrate how the project will affect surrounding businesses and residents. SANRAL's appointed design engineers and property acquisition representatives will be present to respond to queries and concerns. Further background information can be found on ACER (Africa) Environmental Consultants' website [www.acerfrica.co.za/Projects/Current-Public-Review/](http://www.acerfrica.co.za/Projects/Current-Public-Review/).

If you wish to attend, **please RSVP by 10th August 2018**. You may also register as an I&AP in the environmental assessment process and obtain further information by contacting:

**Mareike Strauli** ▶ P O Box 503, Mtunzini, 3867  
▶ Tel: 035 340 2715 ▶ Fax: 035 340 2232
