

NOTIFICATION OF THE PROPOSED RELOCATION OF A SECTION OF TRANSNET'S FUEL PIPELINE NEAR THE N2/M7 SOLOMON MAHLANGU INTERCHANGE

Interested and Affected Parties (I&APs) are hereby notified of the requirement to relocate a 500m section of Transnet's fuel pipeline out of the N2 road reserve on the south east side of the Solomon Mahlangu Interchange. This is to accommodate proposed capacity improvements to the N2 (additional lanes on the N2 and an upgraded interchange). The South African National Roads Agency Limited (SANRAL) has appointed ACER (Africa) Environmental Consultants to undertake the environmental assessment and application process for the capacity improvements (see ACER's website:- [www.acer africa.co.za/Projects/Current- Public Review/](http://www.acer africa.co.za/Projects/Current-Public-Review/) for project information). If you wish to register as an I&AP in the environmental assessment process and/or wish to obtain further information regarding the proposed fuel pipeline relocation, please contact:
