Dear All.
The e-mail did not go through yesterday, so here it is again.
Regards

Dear Mareike/ Nolwandle
Trust that you are well?
As per my discussion with Nolwandle the following:
1. I only received the Public Participation documentation today.

2. SANBS owning a property adjacent to N3 & N2 AT Paradise valley will be affected by the proposed Road upgrades and therefore would like to register as interested and affected Party.
3. See attached documentation.

Regards.
