Subject: Relocation of a Section of Transnet's Fuel Pipeline

Dear Mareike,

Thanks for taking my call.
I am a resident at 22 Standing Grove, Hillary.

With regards to the relocation of the pipeline please can the conceptual relocation route of the pipeline be made available by Transnet.

Your notice makes mention of expansion on the south east side of the Solomon Mahlangu interchange which is approx. 600m from my property, so I would like to know if the relocation has any bearing on my property or the immediate vicinity as they are far apart.

Regards,

Keval Singh Pr Sci Nat
Engineering Geologist
