Good Morning Ms Moodley

With regards to your comment about the Capacity Improvements to the N2 and N3, please note that that your properties will not be affected, as the works on the N2 will stop south of the Umgeni (N2/M19) interchange. I have attached a poster which shows this. It seems like certain properties north of the interchange were notified unnecessarily.

Please contact us if you have any further questions.

Regards, Mareike

Good Day Ms Moodley

Thank you for your letter.

Please could you confirm your physical address (the house no) so that we may provide details requested.

Thank you,

Ashleigh McKenzie

For Attention: Ashleigh McKenzie

Attached please find a letter from Ms D Moodley regarding the proposed capacity improvements to the N2 and N3, specifically in the Parlock, Durban, area.

Regards

Phillip Moodley
