Good Morning Mr Maharaj

Thank you for your query. The N2 improvement contract that ACER is dealing with, has a limit of planning 0.5km south of 182 Elf Place on the N2 (see attached map).

ACER is not involved with any work on the M19/N2 but if there is any planned work on that section, other engineers and consultants would be involved. Could you indicate what section of road you are referring to and we can try to clarify further?

Kind Regard,

**Mareike Straeuli**

T.MAHARAJH <[tilesp@iafrica.com](mailto:tilesp@iafrica.com)>

Please confirm N2/M19 ELF Place is going to take place as we are proposing to build.

I need to know what distance from ELF Pl going into my property at 182 ELF Pl will be taken for road widening.

Your urgent reply will be appreciated.

Thanking you in advance

Best Regards
