Subject: COMMENTS - PROPOSED CAPACITY IMPROVEMENTS TO NATIONAL ROUTE N2 & N3 WITHIN ETHWIKWINI METROPOLITAN MUNICIPALITY

Hi Mareike

Reference is made to the proposed improvements , on the N3.

BA2 , 2.4 – Closure of West mead Road Intersection and Alexander / Marianhill Road Intersection , will impact our property situated at 1-9 Westmead Road .

At the site meeting on the 27th August 2018 , we were advised of the impact of the proposed improvements . At the meeting we had requested the affected area on our property to be pointed out .

The survey was only done yesterday on the affected area , and the affected areas have been identified and has negative impact on the current uses of the property. We need to investigate the survey impact on the property , before we forward our comments. .

Based on the aforesaid we request that an extension till the 14th September 2018 for a detailed response on the impact of the proposed improvements will have on our site.

Kindly contact the writer should you have any queries.

Regards,

Vickesh Maharaj
