**Cc:** 'Charlene Weber'  
**Subject:** Environmental applications N2 and N3 within Ethekwini

Good Day Yugeshni

ACER is applying on behalf of SANRAL, for environmental authorisation for the widening of N2 and N3 sections as indicated on the map below. The application form for DEA requires information on whether other applications for environmental authorisation exist on the same property.

I would be very grateful if you can advise how best to go about obtaining this information.

Thanks and regards

**Ashleigh McKenzie**
