As a Councillor I am very concerned about the development brought in the community. I would like to request that for every development done in the above mentioned area I should be consulted for the smooth running of the project. I also request that local people be given first preference in terms of Labourers employment as it will be a way of taking ownership of the development project brought in the area and as way of poverty alleviation for the said period of time. My sincere appreciation and my blessing is given for the project.

I suggest that the following stakeholders also be involved in the process:

Name	Mayor Mr Ngweny, Speaker Mr Gwala, Chief Whip Mr Ntombela
Organisation	Mkhambathini Municipality
