Good Afternoon Mr Millard

I have spoken to the engineers and he has dropped off a copy of the drawing at the SANRAL offices for your attention, to pick up.

Kind Regards, Mareike

Subject: National Route 3: Upgrade Hammarsdale to Maritzburg

31/5/2018

Dear Mareike,

Thank you for an interesting public presentation on Wednesday 30/5/2018 at the Maritzburg Golf Club regarding the proposed upgrade of the N3 between Hammarsdale and Pietermaritzburg.

I noted that there is a proposed interchange at the existing Twickenham Road Underpass at the northern end of the project.

To enable me to appreciate the implications of the proposed interchange it would be appreciated if you would please make available to me a copy of the plan (drawing) showing the proposal. This will enable me to comment on this aspect.

A copy of the drawing could be collected at the SANRAL office in Pietermaritzburg. Would you also supply me with the name of Consultant for the proposed interchange.

Comments will be submitted before the 12 June 2018 regarding the project.

Kind regards

Brian Millard
