Subject: SANRAL N2/N3 upgrades: DEA SITE VISIT BA1 and BA5 01 Nov 18 Directions & final

Good Morning All

Looks like we are in for wet and cold weather unfortunately , please bring your luminous SAFETY VESTS , proper waterproofs , umbrellas and mud proof shoes! If you dont have a safety vest, bring a lumo yellow /green top.

Please do use your google maps/GPS for detailed directions – the addresses are in the final program below. Some extra info below.

1. Naidu Offices (tel 031 265 6007) : **Please arrive before 8.30 so briefing can start at 8.30.**They are in Westway Office Park which is off the N3 near the Pavilion (Spine Road= Harry Gwala Rd). When you get to the entrance, ask the guard exactly where Naidus offices are. Allow at least 45 mins from King Shaka airport if you are in the rush hour.
2. Berg Road **11.15 at the Berg Road gate** (Paradise Valley nature reserve private back entrance). We need to stick together and follow SNA (Andrew Leibnitz) for this one. In case of anyone getting lost, go to the formal Paradise Valley nature reserve road entrance , wait there and call me.
3. Parsons & Lumsden Office (031 764 7727) – **note we now meet there at 13.00 not 13.30** take the M13 to Kloof, take exit 22 near top of Fields Hill, onto Village Rd. Ask at gate exactly where the offices are.
4. Msunduzi will meet us on site at the Lynnfield I/C at 14.30.
5. Any problems - call me on 082 922 8986 to see where we are.
