Please provide your comments on the draft report for BA1: Capacity Upgrades to the N2 (Solomon Mahlangu to south of Umgeni Rd I/C), including expansion of EB Cloete and Solomon Mahlangu Interchanges, and the N3 (EB Cloete to Paradise Valley) including provision of temporary access for construction below Westville and Paradise Valley viaducts.

We are not clear on what or how the improvements
on N2/N3 will affect us. We need more clarity.
