Please provide your comments on the draft report for **BA5: Capacity Upgrades to the N3 from Lynnfield Park Interchange (km 30.6) to Gladys Manzi (formerly Murray) road (km 6.1).**

1. Please address impact on developments approved in the vicinity of the Lynnfield Park Interchange - Northern sector.
2. There appears to be discrepancies between the proposed road reserves shown on your maps & those supplied by SANDRAL to the municipal offices. Which are the correct version?

I suggest that the following stakeholders also be involved in the process:
