YES NO
- PLEASE DELETE MY NAME FROM THE PROJECT MAILING LIST
YES NO

1. Please indicate which Basic Assessments (BA) you would like to receive information on:

- a) BA3: Capacity Upgrades to the N3 between Hammarsdale Cato Ridge Interchanges. YES NO
- b) BA4: Capacity Upgrades to the N3 from Cato Ridge Interchange to Lynnfield Park. YES NO
- c) BA5: Capacity Upgrades to the N3 from Lynnfield Park to Murray Road. YES NO
- d) BA6: Capacity Upgrades to the N3 from New England Road Interchange to Twickenham Road. YES NO
- e) All BAs. YES NO

2. Please consider the following issues as part of the Assessment: (Please use extra sheets if needed)

- a) The proximity to our property - criminal activity - we have had one slab of concrete fence removed. Various people peering into property. (b) Noise pollution. Several has shown no mitigating measures and so call for sound barrier walls be erected or other deflecting / absorbing barriers as used on parts of M1/N3 near SHB and in Australia (looks effective)
- c) Devaluation of our property, what compensation will be made? Privacy
- d) Damage to our current walls and buildings near back walls
- e) Possible environmental impact on the wetland that is in our area

I suggest that the following stakeholders also be involved in the process:
