### **FIRE COMMENTS ON DPM/EIA 811(OW): BACKGROUND INFORMATION DOCUMENT FOR THE PROPOSED CAPACITY IMPROVEMENTS TO NATIONAL ROUTE 3 (N3) FROM HAMMARSDALE TO PIETERMARITZBURG.**

**This department would like to raise the following concerns on the proposed capacity improvements to national route:**

1. The owners of the affected pipelines (Transnet & Umngeni Water) must be notified and agreement between the developers and the owners of these pipeline be submitted to Local Authority for record purpose.
2. A Major Hazard Installation risk assessment must be conducted to evaluate the risks levels since part of the NMPP will be relocated.
3. The developers must complying with the Interim Code Relating to Fire Prevention and Flammable liquids and Substances.
4. Full compliance with the road closure procedures and requirements to allow emergency services to respond in cases of emergency.
5. Full compliance with other applicable Legislative requirements.

Thank you
