Good Morning Noeleen

With regards to your email trail below. ACER has been appointed by SANRAL for the sections **between Hammarsdale to Murray Road and then from New England Road to Twickenham Road**. So all sections except the Gladis Manzi and New England Road Interchange – which has not been appointed yet by SANRAL. I have attached the Background Information Document for our sections of road and the letter that went out to the public. Please can you let me know if you would like to take part in this process or if you want to wait to hear from the appointed environmental consultants once they are appointed?

Kind Regards,
Mareike Straeuli

Good evening Noeleen

The section of the N3 between gladis manzi and new england road interchange has not gone out for public participation as yet. If you are directly affected by the upgrade you will be contacted by our environmental consultant we are due to appoint shortly.

If you are interested to see the impact on your property you are welcome to make contact with Ridhwaan Mohamed the project manager.

Kind regards

Ravi Ronny

Subject: UPGRADE ON N3 HIGHWAY

Good morning Mr Ronny

I am a resident of Hereford Circle, Pietermaritzburg which borders the N3 highway.

Currently we are hearing various stories regarding the widening of the N3 highway and I am told that Sanral has contacted several residents of the houses bordering the highway regarding the expropriation of the properties.

It would be appreciated if you could advise exactly what the proposal is for this stretch of highway and when the residents will be advised of the changes. All residents will be severely impacted with regard to property values, noise, construction, etc.

Your urgent reply would be appreciated.

Thank you and Regards
