Dear Mr Lovemore,

Thank you for completing and returning the attached registration form, you have been added to the Interested and Affected Party Database for this project and will receive notification of all further information pertaining to the project as this becomes available.

Please also note that the properties which you have highlighted (PTNs 9 to 17 Umlaas Road) appear to not be affected by this specific section of the proposed upgrades at Key Ridge but rather the proposed upgrades in the vicinity of Umlaas Road, in this regard I have copied in the consultants (Acer Africa) who are undertaking the environmental assessments in this area.
