**Importance:** High

Hi Marius,

Hope you are well.

Thank you so much for the minutes and attendance registers. The attendance register looks fine. I will save it in the Lwala project folder. Has Thomas Mavunda, made any changes to the minutes, or can I also save it to the folder? Please can you forward me his contact and email details, as I would like to add him to the database as well. Thank you so much.

Kind Regards,

**Subject:** Community meeting minutes

Morning Giles and Carina,

Attached is the meeting minutes and attendance registers. Regarding the Ga-Mashishi attendance register, the Kgosi did not schedule the meeting specifically just for us but allowed us a timeslot at the end of their regular community meeting. The gathering was quite big for a small community (around 120 people) and when we started I asked the Kgosi whether we can circulate our attendance register and he suggested that they already had one circulated earlier and that we should maybe use that one, so I said its fine. I hope it's not a problem.

I have asked Thomas Mavunda from Eskom to just have a look at minutes as well to see if I captured everything correctly.

We should be able to finalize tomorrow.

Regards

**Marius Alers**
