BIZAIDS WORKSHOP

BizAIDS - The micro business risk survival guide
A tool to help business owners prepare for health-related emergencies

This confirms that
Kanego Jan Mokwena

Attended a **BizAIDS** Workshop on
30-31 May 2018

The **BizAIDS** workshop was facilitated by
Moffat Ganyaupfu

Developed by IESC (International Executive Services Corps) and presented in partnership with SABCOHA (South African Business Coalition on Health and AIDS) and AIDS Foundation South Africa

BizAIDS workshop helps small business owners and partners to:

- utilise practical resources and develop a plan of action to protect the future of the business
- explain the impacts and costs on a business relating to the death or incapacity of the owner or primary manager of a small enterprise
- understand the stages of development in a growing business
- understand how incapacity or death impacts on the ownership of a business and its assets
- access community service providers for health, legal and Resource Business Centres
- provide an overview of the risks posed by not protecting family and business assets
- develop and implement a will and planning arrangements for family and business assets
- understand how HIV affects the individual, the family, the business enterprise and the community
- prepare personal and business action plans to manage risk
- identify the value of a business for change of management or ownership and place a value on the business
- explain the rights of employers and employees surrounding ill health or incapacity
- understand the different types of legal businesses
- keep good business records
- develop good marketing practises
