Good morning Garth,

Hope you are well.

As telephonically discussed, this morning, please find attached the Announcement letter and comment sheet for the Mtunzini Sanitation Upgrade Project. The Vegetation Aquatic Specialist will be contacting you in the next few days, as they will need access to the area to do their assessment, but it simply involves looking at what is there. The Geotechnical team are also likely to contact you in the next coming week to gain access to the area. For any further assistance regarding the project, please contact/email Duncan or me. Thank you so much for your assistance.

Kind Regards,
