**ATTENTION: ASHLEY MCKENZIE**

Dear Ashley

Thank you for the opportunity to attend the meeting yesterday, please note that I was informed that after I have left Eric made a very valid point, I would like to give my response as below;

I fully support Eric's decision in regards to no allowance access until Ethekwini resolve our provision of access which they have been busy with for at least 10 years.

Sanral has the ability and means to help us resolve this issue and then I would have no problem using the access as discussed at the meeting.

I thank you for your time.

Kind regards

Richard Eastwood
