Dear Ashleigh

Thank you for the reminder. Two issues:

Please update your records to reflect that Judi Gibson has retired and emigrated to Australia and that I have taken over as General Manager of the AACL Durban & Pietermaritzburg Branch, with effect from January 2019.

Secondly, Is there a web site or other point of information where the potential impact of this project has been laid out for people to view and comment on? I could not possibly provide any feedback while not understanding anything about the actual work to be undertaken.

I look forward to hearing from you.

Regards
David
