**Subject:** Re: DBAR2 N3 Cliffdale Road - I&AP query

Thank you everybody.

This is great news, both from an environmental preservation point of view and especially because we planted and maintain that avenue of trees as our contribution towards upliftment of the area and the carbon footprint buffer sponge on the motorway boundary.

Kind regards

William

Good Day William and Warren

Please see response from the engineer, below

*Hi Ashleigh*

*We are still finalizing the exact configuration of the M13 ramp tie in, but I can confirm that we plan for the final design to not affect the trees.*

*Regards,*
